"CHRIST OVER ALL"

October 20, 2006

Dunk Fire & Security
1490 June Self Drive
Bethel Heights, AR 72764

To Whom It May Concern:

This letter will introduce Dunk Fire and Security to you with our highest recommendation for service in the areas of fire safety systems. John Brown University has chosen to contract with the Dunk firm for provision, testing, and monitoring of our fire alarm and sprinkling systems throughout all our buildings on campus.

The Dunk representatives, technicians, and administration have proven to be reliable, honest, and have proven integrity in serving our needs at reasonable prices. They have demonstrated every effort to keep us up and running as we are challenged to provide fire safety for our students.

I would especially commend Rick, Tim, Vida, and Kim, as they have been the ones more closely involved with our needs.

Sincerely,

Everett Easley
Director of Facilities Services
